

World Physiotherapy Day 2017

Today world physiotherapy day was celebrated in Ruby Hall Clinic, Wanowarie branch along with celebrations and cake cutting with the Physiotherapy Dept. Team and patients.

The day is an opportunity for physical therapists from all over the world to raise awareness about the crucial contribution the profession makes to keeping people well, mobile and independent.

Physical therapists work to undo damage, educate on healthy behaviour and to restore lost or damaged functionality. Physical Therapy Day, then, is dedicated to these professionals throughout the world, and aims to recognise their commitment to keeping us all fighting-fit.

Dr. Anuj Shrivastava.
In-charge Physiotherapy Dept.
(Ruby Hall Clinic, Wanowrie)
