

## Harnessing technology to heal you faster

Come & **Experience** a world of **difference**

Ruby Hall Clinic - Wanowarie has now started a comprehensive Day Care facility. This is a first-of-its-kind modern health care unit in Pune providing same-day surgical care, including diagnostic and preventive procedures.

It uses modern surgical techniques to ensure that the patient heals faster and can be discharged within a few hours.

Transforming the experience for a number of people by providing them with a convenient alternative to traditional hospital outpatient procedures, this department is an 8-bedded unit manned by a team of highly skilled doctors and specialist nurses.

In an atmosphere that nurtures your well-being, the Day Care Surgery unit undertakes a number of procedures, subject to patient health.

These include:

- Small hernias
- Abscesses
- Breast surgeries
- Perianal surgeries
- Excisions of lumps
- Corn removal
- Small laparoscopic procedures
- Biopsies

Among a host of benefits, faster recovery time without pinching a hole in your pocket, our Day Care Surgery unit assures you of quality care and positive patient outcomes.
